

The On-Site-Communicator

REGITO® OSC 750 – Your new, flexible billboard!

Powerful and effective advertising with messages that you can easily change.

The strong LEDs are visible far out on the street. Moving text with colour and effects attracts people's attention.

Over 60 visual effects such as scrolling text, blinking, turning colour frame, different font sizes, one or several lines of text, date, clock, etc.

Program via app & transmit wirelessly via WiFi.
Option: Long distance remote via mobile network.

Open 10.00–18.00
Monday–Friday

Take a break!

Store owner?

Increase sales with
REGITO® OSC 750

REGITO means "you must rule" in Latin

Increase profitability
With REGITO® OSC
you drive past your
competitors in a
professional
way!

Attract
new customers!
Let REGITO OSC
roll out examples of
goods and attract
people who do not
know what you
have in your
store.

Super easy to handle!

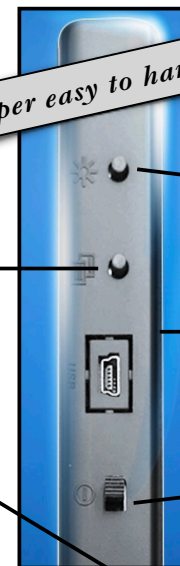

Choose from 1-8
stored texts with the
button or
compose a crackling
show with the app

Operated via 230 V
power supply
(no built-in battery
that dies)

Adjustable
brightness in 6 steps

Large but thin -
750 x 160 x 23 mm

Save energy -
on/off by switch
or clock-controlled

Cheap in operation

OSC 750 only draws ~ 14 W.
It can be running around the
clock for less than 0,5 SEK
per day! Power supply, 100–
240 VAC, & cable included.

Choose mounting method:

- Suspended in fine chains
 - Heavy duty suction plugs on the window
 - Place on the windowsill
- Instructions in English & Swedish

Quality

OSC 750 is CE marked and
tested by an independent,
accredited test company.
Three-year warranty.
